

# **NUTA Memecoin on Solana — Whitepaper**

## **Abstract**

NUTA is a meme coin launched on the Solana blockchain, designed to bring reality to those struggling to break out of the same 8-5 grind with the memes culture in a fun and entertaining way with the efficiency and scalability of Solana. Nuta aims to create a community that identifies with the project and provide a decentralized financial ecosystem where users can trade, stake, and participate in community-driven initiatives.

## **Introduction**

It is not a secret that humorous content has taken over the internet world these days. In the cryptocurrency world, meme coins have gained significant popularity due to the strong support of their community and the viral nature of internet culture. NUTA leverages the high-speed, low-cost transactions of the Solana blockchain to offer a unique meme coin experience. This whitepaper outlines NUTA's vision, tokenomics, and roadmap.

## **Vision**

NUTA aims to become a source of meme content for the Solana blockchain by fostering a close-knit and engaged community and providing various utilities and use cases for the token.

## Tokenomics

- **Token name:** NUTA
- **Ticker:** NUTA
- **Blockchain:** Solana (SOL)
- **Total supply:** 1,000,000,000 NUTA
- **Distribution at mint:** 92% LP, 8% Ecosystem
- **Circulation:** 100%
- **Address:** [C94TD6hRXjVcJ51syGSP9q9ubv4YJgM4XcY1smebpump](https://solscan.io/address/C94TD6hRXjVcJ51syGSP9q9ubv4YJgM4XcY1smebpump)

## Key Features

1. **Fast and Low-Cost Transactions:** Leveraging Solana's high throughput and low transaction fees.
2. **Memes Contents and Merchandise:** Creation of unique Nuta memes and Videos animations, also branded merchandise to enhance community engagement.

## Roadmap

- ❖ Launch of NUTA token on Solana
- ❖ Initial community-building activities
- ❖ Partnerships with meme creators and influencers
- ❖ Launch of NUTA Social media Channels
- ❖ Partnerships with Institutions and Market Makers
- ❖ Introduction of NUTA merchandise store

## **Conclusion**

NUTA is set to show part of the financial reality of many workers to the meme coin space by combining the fun, reality and viral potential of meme culture with the robust technology of the Solana blockchain. Join us in building a real, decentralized community that identified the power of memes.
